**New Sunday School classes starting next week:**

**In the gym (back left corner)** - Rich Longacre will be leading a S.S. class studying the book “**All Right Now, Finding Consensus on Ethical Questions**” by Timothy J.Geddert. The book shows how scripture can be effectively examined regarding controversial topics such as pacifism, sexuality, divorce and remarriage, homosexuality and money. It will help us to look for what the Bible is saying rather than simply looking to support our view with the Bible. Books are available under the mailboxes. Anyone is welcome to attend this class.

**In the Sanctuary** - We live in a fast-paced, fast-food, quick-fix world. We see ads for weight loss with no effort, no change in activity. You just loose the weight! You can trim down and get great bodies with no exercise. In reality you get out of it all what you put into it. The apostle Paul says the athlete brings his body under subjection to win the prize, but this is for a prize that will fade. We are called to be godly, but that doesn’t just happen either. We will be looking at the things that people have done down through the ages to work with God in becoming what God wants us to be... godly. **Topics include stewardship, worship, evangelism, social justice, quiet time and more.** Will be led by Jim Dougherty and Alan Kratz.
