## **“Saved by Faith?”**

*(Galatians 2:15-16)*

The Bible makes us wise unto salvation

The Bible is the account of the God who acts

God is the main character of this account

Problem: We often think we are

Leads to: misinterpreting the text

OT Summary: Faithful God pursuing unfaithful people

NT Summary: Jesus is the faithful One

Implications for us:

Grateful acknowledgment

See Jesus as the object of our faith

See Jesus as the source of our identity

“Grace to you and peace from God our Father and the Lord Jesus Christ, who gave himself for our sins to deliver us from the present evil age” Galatians 1:3-4a
