Experiential activity - Giving to Gain

Missionary Jim Elliott once said, "He is no fool who gives what he cannot keep to gain what he cannot lose." I think James would wholeheartedly agree with this statement. This week, pray for and look for opportunities to give ... your time, your resources, your wealth, your influence ... for the glory of God and the good of others. Ask God to show you what He wants you to spend your life on. If married or have children, pray with them as well and together ask God to show you what He wants you to spend your lives on together. And then as James implores us, do it. Put it into action.

SING (Suggested songs to sing. Use these, or any favorites of the gathered group, to worship Jesus!) PRAY

This is a time to gather around for prayer requests and to share how you have seen God at work. A time to hear where God is showing up in our lives and where we need Him to help us in our lives.

Sending prayer based on the lesson:

Go from this place and be doers of God's word who accompany their faith with actions. May the Holy Spirit open your eyes to where, with who, and how He wants you to spend your time, resources and wealth for His glory, the advancement of His gospel and the restoration and redemption of others.
